Been Witnessed, Even in the Emeraid Isle, Now in Progress in Many Districts.

London, Nov. 7.-The Irish question is The business prosperity which is gener-

The Government is doing nothing. The business. The Government is doing nothing. The Irish Secretary's tour in the West and Northwest occurred before the bad weather upon the entire original amount of trust certificates. The certificates which were declared it was named mannab, and about two years ago she married a hotel keeper named Peter Cuttle. The brothers are Edward and Patrick, druggists, and William, a plumber. described as misleading.

The farmers of many of the large estates resented have apprised their landlords' agents that no rent can be paid this year, because no rent has been earned. But the landlords

Evictments by the Thounsaid.

With this famine impending, combined with the revelations of the Financial Relations Commission, showing how Ireland is annually bled of millions of money to the advantage of Great Britain, it will be no wonder if Irish discontent assumes a more active form than mere discussion over legislation for home rule.

Behoof buildings:

We the Clerymon and Trustees of All the Churches in the City of New York:

It is a well understood fact that we have not accommodations in our public schoolhouses sufficient to give sittings to all the children for that are entitled to a sitting in the school houses of the city. A great many of the children could be taken by which these rooms are could be taken by which these rooms are could be taken by which these apartments could be thrown open for our public schools, the Board of Education, I have made a countries on the globe using the Board of Education, I have made a countries on the globe using the Board of Education, I have made a countries on the globe using the Board of Education, I have made a countries on the globe using the Board of Education, I have made a countries on the globe using the Board of Education, I have made a countries on the globe using the Board of Education, I have made a countries on the globe using the board of Education, I have made a countries on the globe using the countries of the countries on the globe using the countries of the countries on the globe using the countries of the countries on the globe using the countries on the countries on the globe using the countries of the countries on the countries on the globe using the countries of the countries on the globe using the countries of the countries on the globe using the countries of the countries on the globe using the countries of the countries of the countries of the countries are countries on the globe using the countries of the countries of the c on of children on Sinday, and these rooms are ally used perhaps once or twice a week in the sening, and on Sunday. If some concert of citica could be taken by which these apartments ould be thrown open for sur public schools, he hoard of Education, I have no doubt, would impaired the countries of the countries
